

For the past several years, Buckeye Insurance Group has been proud to sponsor the James A. Stahl Scholarship for college and university students pursuing careers in insurance and risk management. The James A. Stahl Scholarship is awarded in honor of James Stahl's 59 years of service as an agent and director for Buckeye Insurance Group.

Buckeye's President and CEO, John Brooks, had the privilege of presenting the 2018 scholarship to Bryan Mills of Van Wert, Ohio. Bryan will be a senior at Bowling Green State University and is majoring in Insurance and Risk Management. He is a member of Gamma Iota Sigma and currently serves as a Resident Advisor.

Buckeye Insurance Group congratulates Bryan on receiving this scholarship, and wishes him in the best in his future pursuits in the insurance industry.
